Overview of the Adult Drug Court Research to Practice Initiative

The Bureau of Justice Assistance’s (BJA) Adult Drug Court Research to Practice Initiative supports the Drug Court Discretionary Grant Program (42 U.S.C. 3797u et seq.), which assists communities to develop effective drug court strategies for nonviolent\(^1\) substance-abusing offenders. BJA, in partnership with the National Institute of Justice (NIJ), is seeking applications from organizations with the ability to translate and develop the latest adult drug court research findings into practical tools for the drug court field.

**Deadline: Registration**

Registering with Grants.gov is a one-time process; however, processing delays may occur and it can take up to several weeks for first-time registrants to receive confirmations/user passwords. The Office of Justice Programs (OJP) highly recommends that applicants start the registration process as early as possible to prevent delays in submitting an application package to our agency by the application deadline specified. The registration process for organizations involves these steps: (1) obtain a Data Universal Numbering System (DUNS) number; (2) register your organization with the Central Contractor Registration (CCR) database; (3) register with Grants.gov’s Credential Provider and obtain a username and password; (4) register with Grants.gov to establish yourself as an Authorized Organization Representative (AOR); and (5) the E-Business Point of Contact (POC) assigns the “Authorized Applicant Role” to you. For more information about the registration process, go to [www.grants.gov](http://www.grants.gov). **Note:** Your CCR must be renewed once a year. Failure to renew the CCR may prohibit submission of a grant application through Grants.gov.

**Deadline: Applications**

The due date for applying for funding under this announcement is 8:00 p.m. e.t. on March 26, 2009.

Within 24-48 hours after submitting your electronic application, you should receive an e-mail validation message from Grants.gov. The validation message will tell you if the application has been received and validated or if it has been rejected, and why.

**Important:** You are urged to submit your application at least 72 hours prior to the due date of the application to allow time to receive the validation message and to correct any problems that may have caused the rejection notification.

\(^1\) As defined in 42 U.S.C. 3797u-2, a “violent offender” means a person who—(1) is charged with or convicted of an offense that is punishable by a term of imprisonment exceeding one year, during the course of which offense or conduct—(A) the person carried, possessed, or used a firearm or dangerous weapon; (B) there occurred the death of or serious bodily injury to any person; or (C) there occurred the use of force against the person of another, without regard to whether any of the circumstances described in subparagraph (A) or (B) is an element of the offense or conduct of which or for which the person is charged or convicted; or (2) has 1 or more prior convictions for a felony crime of violence involving the use or attempted use of force against a person with the intent to cause death or serious bodily harm. Note: This definition includes recent amendments made by the Second Chance Act of 2007, Pub. L. 110-199.
If you experience unforeseen Grants.gov technical issues beyond your control, you must contact OJP staff within 24 hours after the due date and request approval to submit your application. At that time, OJP staff will require you to e-mail the complete grant application, your DUNS number, and provide a Grants.gov Help Desk tracking number(s). After OJP reviews all of the information submitted as well as contacts Grants.gov to validate the technical issues reported by the grantee, OJP will contact you to either approve or deny the request.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to follow Grants.gov instructions on how to register and apply as posted on its web site; (3) failure to follow all of the instructions in the OJP solicitation; and (4) technical issues experienced with the applicant’s computer or information technology (IT) environment.

**Eligibility**

Applicants are limited to for-profit (commercial) organizations, nonprofit organizations, faith-based and community organizations, and institutions of higher learning. BJA encourages organizations to apply which have expert knowledge of drug courts, extensive knowledge in research interpretation, knowledge of brokering and developing technical assistance, knowledge of adult education techniques, and willingness to work with other BJA training and technical assistance providers. For-profit organizations must agree to waive any profit or fees for services. Applicants are encouraged to partner with other organizations to submit joint applications for the required services and deliverables.

**Faith-Based and Other Community Organizations:** Consistent with Executive Order 13279, dated December 12, 2002, and 28 C.F.R. Part 38, it is DOJ policy that faith-based and other community organizations that statutorily qualify as eligible applicants under DOJ programs are invited and encouraged to apply for assistance awards to fund eligible grant activities. Faith-based and other community organizations will be considered for awards on the same basis as other eligible applicants and, if they receive assistance awards, will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization.

Faith-based organizations receiving DOJ assistance awards retain their independence and do not lose or have to modify their religious identity (e.g., removing religious symbols) to receive assistance awards. DOJ grant funds, however, may not be used to fund any inherently religious activity, such as prayer or worship. Inherently religious activity is permissible, although it cannot occur during an activity funded with DOJ grant funds; rather, such religious activity must be separate in time or place from the DOJ-funded program. Further, participation in such activity by individuals receiving services must be voluntary. Programs funded by DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary’s religion.

If your organization is a faith-based organization that makes hiring decisions on the basis of religious belief, it may be entitled, under the Religious Freedom Restoration Act, 42 U.S.C. § 2000bb, to receive federal funds and yet maintain that hiring practice, even if the law creating the funding program contains a general ban on religious discrimination in employment. For the circumstances under which this may occur, and the certifications that may be required, please see the section titled, “Funding to Faith-Based Organizations” on the “Other Requirements for OJP Applications” web page at [www.ojp.usdoj.gov/funding/other_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).
Applicants are also encouraged to review the “Civil Rights Compliance” section on the “Other Requirements for OJP Applications” web page, which can be found at the web address shown above.

Adult Drug Court Research to Practice Initiative-Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

The purpose of the Research to Practice Initiative is to translate promising evidence-based adult drug court research findings into targeted, usable products for drug court practitioners. Applicants should demonstrate their experience with the drug court field, challenges of successful implementation of drug court programs, and the latest drug court research. Applicants should also demonstrate their expertise in translating research into practical tools for practitioners, and document their experience and capacity to develop, market, and disseminate materials in different formats, including bulletins, training modules, and PowerPoint presentations with emphasis on distance learning and multimedia outlets including webinars and podcasts.

BJA and NIJ priorities for topics to be addressed by this initiative include refining target populations and eligibility requirements to maximize impact and efficiency given local priorities and resources, and identifying program operations best practices such as incentives and sanctions, treatment modalities, service option screening, and legal and other issues to balance drug court participants’ rights with public safety needs.

How To Apply

Grants.gov is a “one-stop storefront” that provides a unified process for all customers of federal grants to find funding opportunities and apply for funding.

Grants.gov Instructions: Complete instructions can be found at www.grants.gov. If you experience difficulties at any point during this process, please call the Grants.gov Customer Support Hotline at 1–800–518–4726, Monday-Friday from 7:00 a.m. to 9:00 p.m. e.t.

Note: OJP’s Grants Management System (GMS) does not support Microsoft Vista or Microsoft 2007 format. GMS downloads applications from Grants.gov and is the system in which OJP reviews applications and manages awarded grants. Applications submitted via GMS must be in the following formats: Microsoft Word (*.doc), WordPerfect (*.wpd), PDF files (*.pdf), or Text Documents (*.txt) and may include Excel files (*.xls). GMS is not yet compatible with Vista and cannot yet process Microsoft Word 2007 documents saved in the new default format with the extensions of “.docx.” Please ensure the documents you are submitting in Grants.gov are saved using “Word 97-2003 Document (*.doc)” format. In addition, GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.”

A DUNS number is required: The Office of Management and Budget requires that all businesses and nonprofit applicants for federal funds include a DUNS (Data Universal Numeric System) number in their application for a new award or renewal of an award. Applications without a DUNS number are incomplete. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple,
one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at www.dnb.com/us/. Individuals are exempt from this requirement.

Central Contractor Registration (CCR) is required: In addition to the DUNS number requirement, OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR at least once per year to maintain an active status. Information about registration procedures can be accessed at www.ccr.gov.

Peer reviewers will be reviewing the applications submitted under this solicitation as well. BJA may use either internal peer reviewers, external peer reviewers, or a combination of both to review the applications under this solicitation. An external peer reviewer is an expert in the field of the subject matter of a given solicitation who is NOT a current U.S. Department of Justice employee. An internal reviewer is an expert in the field of the subject matter of a given solicitation who is a current U.S. Department of Justice employee. Applications will be screened initially to determine whether the applicant meets all eligibility requirements. Only applications submitted by eligible applicants that meet all other requirements (such as timeliness, proper format, and responsiveness to the scope of the solicitation) will be evaluated, scored, and rated by a peer review panel. Peer reviewers’ ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations may include, but are not limited to, underserved populations, strategic priorities, past performance, and available funding.

After the peer review is finalized, the Office of the Chief Financial Officer (OCFO), in consultation with BJA, conducts a financial review of all potential discretionary awards and cooperative agreements to evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to determine if the budget and budget narrative accurately explain project costs; and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations. OCFO also reviews the award document and verifies the OJP Vendor Number.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final grant award decisions will be made by the Assistant Attorney General, who may also give consideration to factors including, but not limited to, underserved populations, strategic priorities, past performance, and available funding when making awards.
