

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [Bureau of Justice Assistance](#) (BJA) is seeking applications for funding under Residential Substance Abuse Treatment for State Prisoners Program. This program furthers the Department's mission by assisting state, local, and tribal efforts to break the cycle of drugs and violence by reducing the demand for, use, and trafficking of illegal drugs.

Residential Substance Abuse Treatment (RSAT) for State Prisoners Program FY 2013 Formula Grant Announcement

Eligibility

Eligible applicants are limited to states, and for purposes of this solicitation, "states" are defined as all U.S. states, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands. By statute (42 U.S.C § 3796ff-1(e)), BJA must award RSAT grants to the state office (www.ojp.gov/saa/index.htm) designated to administer the Byrne Justice Assistance Grant Program. The state office may award subgrants to state agencies and units of local government (including federally recognized Indian tribal governments that perform law enforcement functions, as determined by the Secretary of Interior).

Deadline

Applicants must register in [OJP's Grants Management System](#) (GMS) prior to submitting an application for this funding opportunity. Select the "Apply Online" button associated with the solicitation title. (See "How To Apply," page 15.) All registrations and applications are due by 8:00 p.m. eastern time on May 2, 2013. (See "Deadlines: Registration and Application," page 3.)

Contact Information

For technical assistance with submitting the application, contact the Grants Management System Support Hotline at 888-549-9901, option 3, or via e-mail to GMS.HelpDesk@usdoj.gov.

Note: The [GMS](#) Support Hotline hours of operation are Monday–Friday from 6:00 a.m. to midnight eastern time, except federal holidays.

For assistance with any other requirements of this solicitation, contact the BJA Justice Information Center at 1-877-927-5657, via e-mail to JIC@telesishq.com, or by [live web chat](#). The BJA Justice Information Center hours of operation are 8:30 a.m. to 5:00 p.m. eastern time, Monday through Friday, and 8:30 a.m. to 8:00 p.m. eastern time on the solicitation close date.

Funding opportunity number assigned to announcement: BJA-2013-3530

Residential Substance Abuse Treatment (RSAT) for State Prisoners Program (CFDA #16.593)

Overview

The Residential Substance Abuse Treatment (RSAT) for State Prisoners Program (42 U.S.C. § 3796ff et. seq.) assists states and local governments to develop and implement substance abuse treatment programs in state, local, and tribal correctional and detention facilities. Funds are also available to create and maintain community-based aftercare services for offenders.

Deadlines: Registration and Application

Applicants must register in GMS prior to submitting an application for this funding opportunity. The deadline to register and apply for funding under this announcement in GMS is 8:00 p.m. eastern time on May 2, 2013. See the “How To Apply” section on page 15 for more details.

Eligibility

Refer to the title page for eligibility under this program.

RSAT Program—Specific Information

RSAT assists states, local, and tribal governments to develop and implement substance abuse treatment programs in state, local, and tribal correctional and detention facilities and to create and maintain community-based aftercare services for offenders.

Program Requirements

RSAT funds may be used to implement three types of programs: residential, jail-based, and aftercare. Applications involving partnerships with community-based substance abuse treatment programs should be given priority consideration.

To be eligible for funding, states must coordinate the design and implementation of treatment programs between state correctional representatives and the state alcohol and drug abuse agency (and, if appropriate, between representatives of local correctional agencies and representatives of either the state alcohol and drug abuse agency or any appropriate local alcohol and drug abuse agency). A state must also agree to implement or continue to require urinalysis or other proven reliable forms of testing, including both periodic and random testing—: (1) of an individual before the individual enters a residential substance abuse treatment program and during the period in which the individual participates in the treatment program; and (2) of an individual released from a residential substance abuse treatment program if the individual remains in the custody of the state.

Provision of Evidence-Based Substance Abuse Treatment Services

Applicants are strongly urged to provide substance abuse treatment practices and services that have a demonstrated evidence base and that are appropriate for the target population. Applicants should identify the evidence-based practice being proposed for implementation, identify and discuss the evidence that shows that the practice is effective, and discuss the population(s) for which this practice has been shown to be effective and show that it is appropriate for the proposed target population. Applicants can find information on evidence-based treatment practices in the Substance Abuse and Mental Health Services Administration's (SAMHSA) *Guide to Evidence-Based Practices* available at www.samhsa.gov/ebpwebguide. Applicants can find additional information on effective and promising substance abuse treatment programs on OJP's [CrimeSolutions](http://www.CrimeSolutions.gov) web site (www.CrimeSolutions.gov).

SAMHSA's *Guide* provides a short description and a link to dozens of web sites with relevant evidence-based practices information—either specific interventions or comprehensive reviews of research findings. Note that SAMHSA's *Guide to Evidence-Based Practices* also references the National Registry of Evidence- Based Programs and Practices (NREPP), a searchable database of interventions for the prevention and treatment of mental and substance use disorders. NREPP is intended to serve as a decision support tool, not as an authoritative list of effective interventions. *Being included in NREPP, or in any other resource listed in the Guide, does not mean an intervention is "recommended" or that it has been demonstrated to achieve positive results in all circumstances.* Applicants should document that the selected practice is appropriate for the specific target population and purposes of their project.

RSAT funding may be used for:

Residential Programs that:

- Operate at least 6 and no more than 12 months.
- Provide residential treatment facilities set apart—in a completely separate facility or dedicated housing unit in a facility exclusively for use by RSAT participants—from the general correctional population.
- Focus on the substance abuse problems of the inmate.
- Develop the inmate's cognitive, behavioral, social, vocational, and other skills to solve the substance abuse and related problems.
- Require urinalysis and/or other proven reliable forms of drug and alcohol testing for program participants, including both periodic and random testing, and for former participants while they remain in the custody of the state or local government.

If possible, RSAT participation should be limited to inmates with 6 to 12 months remaining in their confinement so they can be released from prison instead of returning to the general prison population after completing the program.

Program design should be based on effective, scientific practices, such as:

Jail-Based Programs that:

- Last at least 3 months.
- Focus on the substance abuse problems of the inmate.
- Develop the inmate's cognitive, behavioral, social, vocational, and other skills to solve the substance abuse and related problems.

If possible, jail-based programs should separate the treatment population from the general correctional population.

At least 10 percent of the total state allocation for FY 2013 shall be made available to local correctional and detention facilities—provided such facilities exist—for either residential substance abuse treatment programs or jail-based substance abuse treatment programs that meet the criteria set forth above.

Aftercare:

Per 42 U.S.C. 3796ff-1(c), to be eligible for funding under the RSAT program, a state shall ensure that individuals who participate in the substance abuse treatment program established or implemented with assistance provided under this program will be provided with aftercare services. Aftercare services must involve coordination between the correctional treatment program and other social service and rehabilitation programs, such as education and job training, parole supervision, halfway houses, self-help, and peer group programs. To qualify as an aftercare program, the head of the substance abuse treatment program must work in conjunction with state and local authorities and organizations involved in substance abuse treatment to assist in the placement of program participants into community substance abuse treatment facilities on release. In addition, states shall coordinate these activities with any SAMHSA-funded state and/or local programs that address the needs of this target population. A state may use amounts received for nonresidential aftercare services if the chief executive officer of the state certifies that the state is providing, and will continue to provide, an adequate level of residential treatment services.

Goals, Objectives, and Deliverables

The goal of the RSAT Program is to break the cycle of drugs and violence by reducing the demand for, use, and trafficking of illegal drugs. RSAT enhances the capability of states and units of local and tribal government to provide residential substance abuse treatment for incarcerated inmates; prepares offenders for their reintegration into the communities from which they came by incorporating reentry planning activities into treatment programs; and assists offenders and their communities through the reentry process through the delivery of community-based treatment and other broad-based aftercare services.

Treatment practices/services should be, to the extent possible, evidence-based.

Evidence-Based Programs or Practices

OJP places a strong emphasis on the use of data and evidence in policy making and program development in criminal justice. OJP is committed to:

- improving the quantity and quality of evidence OJP generates;
- integrating evidence into program, practice, and policy decisions within OJP and the field; and
- improving the translation of evidence into practice.

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome

BJA-2013-3530

evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based. OJP's CrimeSolutions.gov web site is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

Amount and Length of Awards

Each participating state is allocated a base award of 0.4 percent of the total funds available for RSAT. BJA will allocate a portion of the total remaining funds to each participating state proportionally to the state's prison population relative to the total prison population of all states. The award period is up to 4 years.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

Budget Information

Supplanting

Federal funds must be used to supplement existing funds for program activities and cannot replace, or supplant, nonfederal funds that have been appropriated for the same purpose.

Prohibited Uses

RSAT funds shall not be used for land acquisition or construction projects.

Meeting Requirements

Applicants should budget for two people to attend a 2-day meeting. For planning purposes, applicants should assume the meeting will take place in Washington, D.C.

Limitation on Use of Award Funds for Employee Compensation; Waiver

With respect to any award of more than \$250,000 made under this solicitation, recipients may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the award recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. The 2012 salary table for SES employees is available at www.opm.gov/oca/12tables/indexSES.asp. Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with non-federal funds. (Any such additional compensation will not be considered matching funds where match requirements apply.)

The Assistant Attorney General (AAG) for OJP may exercise discretion to waive, on an individual basis, the limitation on compensation rates allowable under an award. An applicant requesting a waiver should include a detailed justification in the budget narrative of the application. Unless the applicant submits a waiver request and justification with the application,

BJA-2013-3530

the applicant should anticipate that OJP will request the applicant to adjust and resubmit the budget.

The justification should include the particular qualifications and expertise of the individual, the uniqueness of the service the individual will provide, the individual's specific knowledge of the program or project being undertaken with award funds, and a statement explaining that the individual's salary is commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work to be done.

Minimization of Conference Costs

OJP encourages applicants to review the OJP guidance on conference approval, planning, and reporting that is available on the OJP web site at www.ojp.gov/funding/confcost.htm. This guidance sets out the current OJP policy, which requires all funding recipients that propose to hold or sponsor conferences (including meetings, trainings, and other similar events) to minimize costs, requires OJP review and prior written approval of most conference costs for cooperative agreement recipients (and certain costs for grant recipients), and generally prohibits the use of OJP funding to provide food and beverages at conferences. The guidance also sets upper limits on many conference costs, including facility space, audio/visual services, logistical planning services, programmatic planning services, and food and beverages (in the rare cases where food and beverage costs are permitted at all).

Prior review and approval of conference costs can take time (see the guidance for specific deadlines), and applicants should take this into account when submitting proposals. Applicants also should understand that conference cost limits may change and that they should check the guidance for updates before incurring such costs.

Note on food and beverages: OJP may make exceptions to the general prohibition on using OJP funding for food and beverages, but will do so only in rare cases where food and beverages are not otherwise available (e.g., in extremely remote areas); the size of the event and capacity of nearby food and beverage vendors would make it impractical to not provide food and beverages; or a special presentation at a conference requires a plenary address where conference participants have no other time to obtain food and beverages. Any such exception requires OJP's prior written approval. The restriction on food and beverages does not apply to water provided at no cost, but does apply to any and all other refreshments, regardless of the size or nature of the meeting. Additionally, this restriction does not affect direct payment of per diem amounts to individuals in a travel status under your organization's travel policy.

Costs Associated with Language Assistance (if applicable)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services where appropriate.

For additional information, see the "Civil Rights Compliance" section of the OJP "Other Requirements for OJP Applications" web page at www.ojp.usdoj.gov/funding/other_requirements.htm.

Match Requirement (cash or in-kind)

Federal funds awarded under this program may not cover more than 75 percent of the total costs of the project. Applicants must identify the source of the 25 percent non-federal portion of the total project costs and how they will use match funds. If a successful applicant’s proposed match exceeds the required match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit. (Match is restricted to the same uses of funds as allowed for the federal funds.) Applicants may satisfy this match requirement with either cash or in-kind services. The formula for calculating the match is:

$$\frac{\text{Federal Award Amount}}{\text{Federal Share Percentage}} = \text{Adjusted (Total) Project Costs}$$

$$\text{Required Recipient’s Share Percentage} \times \text{Adjusted Project Cost} = \text{Required Match}$$

Example: 75%/25% match requirement: for a federal award amount of \$350,000, calculate match as follows:

$$\frac{\$350,000}{75\%} = \$466,667 \quad 25\% \times \$466,667 = \$116,667 \text{ match}$$

Performance Measures

To assist the Department with fulfilling its responsibilities under the Government Performance and Results Act of 1993 (GPRA), Public Law 103-62, and the GPRA Modernization Act of 2010, Public Law 111-352, applicants that receive funding under this solicitation must provide data that measure the results of their work done under this solicitation. OJP will require any award recipient, post award, to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures.”

Award recipients will be required to provide the relevant data by submitting quarterly performance metrics through BJA’s online Performance Measurement Tool (PMT) located at www.bjaperformancetools.org. The following measures are examples of some of the core performance measures for the RSAT program, but applicants should examine the complete list at: www.bja.gov/Funding/RSATPerformanceSurvey.pdf.

Objective	Performance Measure	Data Grantees Provide
To reduce substance use and recidivism among RSAT participants by providing therapeutic treatments services to those incarcerated and in the community.	Number of participants enrolled in program	A. Total number of participants currently enrolled in program B. Number of new participants admitted to program
	Percentage of participants successfully completing the program	A. Total number of participants successfully completing the program B. Total number of participants who did

BJA-2013-3530

		not complete the program
	Percentage of aftercare participants charged with drug or non-drug offense(s)	A. Number of aftercare participants B. Number of aftercare participants charged with drug offense(s). C. Number of aftercare participants charged with non-drug offense(s)
	Average treatment cost per participant	A. Total BJA-funded expenditures this reporting period B. Total number of participants currently enrolled
	Percentage of participants in the residential program who have passed drug testing	A. Total number of residential participants tested for alcohol or illegal substances B. Of those residential participants tested, the number of participants who tested positive for the presence of alcohol or illegal substances

OJP does not require applicants to submit performance measures data with their applications. Instead, applicants should discuss in their application their proposed methods for collecting data for performance measures. Refer to the section “What an Application Should Include” on page 10 for additional information.

Note on Project Evaluations

Applicants that propose to use funds awarded through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations designed to develop or contribute to generalizable knowledge) may constitute “research” for purposes of applicable DOJ human subjects protection regulations. However, project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP’s performance measure data reporting requirements likely do not constitute “research.” Applicants should provide sufficient information for OJP to determine whether the particular project they propose would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ regulatory definition of research.

Research, for the purposes of human subjects protections for OJP-funded programs, is defined as, “a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge” 28 C.F.R. § 46.102(d). For additional information on determining whether a proposed activity would constitute research, see the decision tree to assist applicants on the “Research and the Protection of Human Subjects” section of the OJP “Other Requirements for OJP Applications” Web page (www.ojp.usdoj.gov/funding/other_requirements.htm). Applicants whose proposals may involve

a research or statistical component also should review the “Confidentiality” section on that Web page.

Notice of Post-Award FFATA Reporting Requirement

Applicants should anticipate that OJP will require all recipients (other than individuals) of awards of \$25,000 or more under this solicitation, consistent with the Federal Funding Accountability and Transparency Act of 2006 (FFATA), to report award information on any first-tier subawards totaling \$25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier sub-recipients. Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the reporting requirements should it receive funding. Reports regarding sub-awards will be made through the FFATA Sub-award Reporting System (FSRS), found at www.fsrs.gov.

Note also that applicants should anticipate that no sub-award of an award made under this solicitation may be made to a sub-recipient (other than an individual) unless the potential sub-recipient acquires and provides a Data Universal Numbering System (DUNS) number.

What an Application Should Include

Applicants should anticipate that if they fail to submit an application that contains all of the specified elements, it may negatively affect the review of their application; and, should a decision be made to make an award, it may result in the inclusion of special conditions that preclude the recipient from accessing or using award funds pending satisfaction of the conditions.

OJP strongly recommends that applicants use appropriately descriptive file names (e.g., “Program Narrative,” “Budget Detail Worksheet and Budget Narrative,” “Timelines,” “Memoranda of Understanding,” “Resumes”) for all attachments. Also, OJP recommends that applicants include resumes in a single file.

1. Information to Complete the Application for Federal Assistance (SF-424)

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and GMS take information from the applicant’s profile to populate the fields on this form. When selecting “type of applicant,” if the applicant is a for-profit entity, select “For-Profit Organization” or “Small Business” (as applicable).

2. Abstract

Applications should include a high-quality “Project Abstract” that summarizes the proposed project in 400 words or less. Project abstracts should be—

- Written for a general public audience.
- Submitted as a separate attachment with <Project Abstract> as part of its file name.
- Single-spaced, using a standard 12-point font (Times New Roman) with 1-inch margins.

All project abstracts should follow the detailed template available at www.ojp.usdoj.gov/funding/Project_Abstract_Template.pdf.

3. Program Narrative

The program narrative must be double-spaced, using a standard 12-point font (Times New Roman preferred) with 1-inch margins. Applicants must submit a narrative that describes the proposed program activities for FY 2013 and changes, if any, since the previous application. The following sections should be included as part of the program narrative:

- a. Statement of the Problem
- b. Project Design and Implementation. The following bulleted information should be included in this section:
 - Program goals.
 - Implementation process.
 - Description of any changes in state law or policy requiring substance abuse testing of individuals in correctional/residential substance abuse treatment programs, including individuals released but remaining in state custody.
 - Number, or estimated number, of offenders tested for the use of illegal substances during the last calendar year.
 - Explanation of how the state coordinated the design and implementation of treatment programs between state correctional representatives and the state alcohol and drug abuse agency (and, if appropriate, between representatives of local correctional agencies and representatives of either the state alcohol and drug abuse agency or any appropriate local alcohol and drug abuse agency).
 - Description of the treatment service(s)/practice(s) available for residential substance abuse treatment participants and how those services are currently monitored for quality and effectiveness. Discuss the evidence that shows that the treatment service(s)/practice(s) is/are effective with the target population. If the evidence is limited or non-existent for the target population, provide other information to support the intervention selection. Provide local data and any evaluation findings that demonstrate the program's impact with regard to offender and community outcomes.
 - Description of how the applicant will ensure that individuals who participate in the RSAT program established or implemented with these federal funds will be provided with aftercare services. Describe how the applicant will ensure providers furnishing aftercare services are approved by the appropriate state or local agency and are licensed, if necessary, to provide medical treatment or other health services. Describe the aftercare services that will be provided.
 - Explanation of how the state will coordinate RSAT's design and implementation at the state and local levels and how funds will be coordinated with federal assistance for substance abuse treatment and aftercare services provided by the Substance Abuse and Mental Health Services Administration.
 - Explanation of how the state might coordinate RSAT-funded programs with the federal Second Chance Act (SCA) (if applicable) (www.nationalreentryresourcecenter.org). If no coordination with SCA is planned, briefly describe why.

- Description of the planning process for engaging and enrolling newly eligible participants for Medicaid in accordance with the Patient Protection and Affordable Health Care Act, ensuring the treatment protocol will continue after program completion.
 - Description of any federal awards, including other U.S. Department of Justice awards, that also will support RSAT efforts.
- c. Capabilities and Competencies
- d. Plan for Collecting the Data Required for this Solicitation's Performance Measures
BJA does not require applicants to submit performance measures data with their application. Performance measures are included as an alert that BJA will require successful applicants to submit specific data as part of their reporting requirements. For the application, applicants should indicate an understanding of these requirements and discuss how they will gather the required data, should they receive funding.
- e. Time/Task Plan that identifies the dates of the major tasks/activities of your RSAT program.

4. Budget Detail Worksheet and Budget Narrative

a. Budget Detail Worksheet

A sample Budget Detail Worksheet can be found at www.ojp.gov/funding/forms/budget_detail.pdf. Applicants that submit their budget in a different format should include the budget categories listed in the sample budget worksheet.

For questions pertaining to budget and examples of allowable and unallowable costs, see the OJP Financial Guide at www.ojp.usdoj.gov/financialguide/index.htm.

b. Budget Narrative

The Budget Narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. OJP expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

Applicants should demonstrate in their budget narratives how they will maximize cost effectiveness of grant expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality.

The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how the applicant estimated and calculated all costs, and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but

BJA-2013-3530

need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year.

5. Indirect Cost Rate Agreement (if applicable)

Indirect costs are allowed only if the applicant has a federally approved indirect cost rate. (This requirement does not apply to units of local government.) Attach a copy of the federally approved indirect cost rate agreement to the application. Applicants that do not have an approved rate may request one through their cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or, if the applicant’s accounting system permits, costs may be allocated in the direct cost categories. If DOJ is the cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at www.ojp.usdoj.gov/funding/pdfs/indirect_costs.pdf.

6. Additional Attachments

Applicant disclosure of pending applications

Applicants are to disclose whether they have pending applications for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation. The disclosure should include both direct applications for federal funding (e.g., applications to federal agencies) and indirect applications for such funding (e.g., applications to State agencies that will be sub-awarding federal funds).

OJP seeks this information to help avoid any inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Applicants that have pending applications as described above are to provide the following information about pending applications submitted within the last 12 months:

- The federal or state funding agency
- The solicitation name/project name
- The point of contact information at the applicable funding agency

Federal or State Funding Agency	Solicitation Name/Project Name	Name/Phone/E-mail for Point of Contact at Funding Agency
DOJ/COPS	COPS Hiring Program	Jane Doe, 202/000-0000; jane.doe@usdoj.gov
HHS/ Substance Abuse & Mental Health Services Administration	Drug Free Communities Mentoring Program/ North County Youth Mentoring Program	John Doe, 202/000-0000; john.doe@hhs.gov

Applicants should include the table as a separate attachment, with the file name “Disclosure of Pending Applications,” to their application. Applicants that do not have pending applications as described above are to include a statement to this effect in the separate attachment page. (e.g., “[Applicant Name] does not have pending applications submitted

within the last 12 months for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”)

7. Other Standard Forms

Additional forms that OJP may require in connection with an award are available on OJP’s funding page at www.ojp.usdoj.gov/funding/forms.htm. For successful applicants, receipt of funds may be contingent upon submission of all necessary forms. Note in particular the following forms:

- a. [Standard Assurances](#)^{*}
Applicants must read, certify, and submit this form in GMS prior to the receipt of any award funds.
- b. [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements](#)^{*}
Applicants must read, certify, and submit in GMS prior to the receipt of any award funds.
- c. [Accounting System and Financial Capability Questionnaire](#)
Any applicant (other than an individual) that is a non-governmental entity and that has not received any award from OJP within the past 3 years, must download, complete, and submit this form.

*These OJP Standard Assurances and Certifications are forms which applicants accept in GMS. They are not additional forms to be uploaded at the time of application submission.

Review Process

OJP is committed to ensuring a fair and open process for awarding grants. BJA reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the solicitation. BJA will review applications for formula awards to ensure statutory requirements have been met.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.

Additional Requirements

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OJP encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found at www.ojp.usdoj.gov/funding/other_requirements.htm.

- Awards in Excess of \$5,000,000 – Federal Taxes Certification Requirement
- Policy and Guidance for Conference Approval, Planning, and Reporting
- OJP Training Guiding Principles for Grantees and Sub-grantees

How To Apply

Applicants must submit applications through the Grants Management System ([GMS](#)), which provides cradle to grave support for the application, award, and management of awards at OJP. Applicants **must register in GMS for each specific funding opportunity**. Although the registration and submission deadlines are the same, OJP urges applicants to **register promptly**, especially if this is their first time using the system. Complete instructions on how to register and submit an application in GMS can be found at www.ojp.usdoj.gov/gmscbt/.

BJA-2013-3530

Applicants that experience technical difficulties during this process should e-mail GMS.HelpDesk@usdoj.gov or call 888-549-9901 (option 3), Monday – Friday from 6:00 a.m. to midnight eastern time, except federal holidays. OJP recommends that applicants **register promptly** to prevent delays in submitting an application package by the deadline.

All applicants should complete the following steps:

1. **Acquire a Data Universal Numbering System (DUNS) number.** In general, the Office of Management and Budget requires that all applicants (other than individuals) for federal funds include a DUNS number in their application for a new award or a supplement to an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and differentiating entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and sub-recipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, one-time activity. Call Dun and Bradstreet at 866-705-5711 to obtain a DUNS number or apply online at www.dnb.com. A DUNS number is usually received within 1-2 business days.
2. **Acquire registration with the System for Award Management (SAM). SAM replaces the Central Contractor Registration (CCR) database** as the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Applicants must **update or renew their SAM registration annually** to maintain an active status.

Applicants that were previously registered in the CCR database must, at a minimum:

- Create a SAM account;
- Log in to SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

3. **Acquire a GMS username and password.** New users must create a GMS profile by selecting the “First Time User” link under the sign-in box of the GMS home page. For more information on how to register in GMS, go to www.ojp.usdoj.gov/gmscbt/.
4. **Verify the SAM registration in GMS, formerly CCR registration.** OJP requests that all applicants verify their SAM registration in GMS. Once logged into GMS, click the “CCR Claim” link on the left side of the default screen. Click the submit button to verify the SAM (formerly CCR) registration.
5. **Search for the funding opportunity on GMS.** After logging into GMS or completing the GMS profile for username and password, go to the “Funding Opportunities” link on the left side of the page. Select BJA and BJA FY13 RSAT.
6. **Register by selecting the “Apply Online” button associated with the solicitation title.** The search results from step 5 will display the solicitation title along with the registration and

BJA-2013-3530

application deadlines for this funding opportunity. Select the “Apply Online” button in the “Action” column to register for this solicitation and create an application in the system.

7. **Complete the Disclosure of Lobbying Activities, if applicable.** Any applicant that expends any funds for lobbying activities must provide the detailed information requested on the form, *Disclosure of Lobbying Activities* ([SF-LLL](#)).
8. **Follow the directions in GMS to submit an application consistent with this solicitation.** Once submitted, GMS will display a confirmation screen stating the submission was successful. **Important:** In some instances, applicants must wait for GMS approval before they can submit an application. OJP urges applicants to submit the application **at least 72 hours prior** to the due date of the application.

Note: GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.”

Note: Duplicate Applications

If an applicant submits multiple versions of an application, *BJA* will review the most recent version submitted.

Experiencing Unforeseen GMS Technical Issues

Applicants that experience unforeseen GMS technical issues beyond their control that prevent them from submitting their application by the deadline, must e-mail the *BJA* contact identified in the Contact Information section on page 1 **within 24 hours after the application deadline** and request approval to submit their application. The e-mail must describe the technical difficulties and include a timeline of the applicant’s submission efforts, the complete grant application, the applicant’s DUNS number, and any GMS Help Desk or SAM tracking number(s). **Note: BJA does not automatically approve requests.** After the program office reviews the submission, and contacts the GMS Help Desk to validate the reported technical issues, OJP will inform the applicant whether the request to submit a late application has been approved or denied. If the technical issues reported cannot be validated, the application will be rejected as untimely.

The following conditions are not valid reasons to permit late submissions: (1) failure to register in sufficient time, (2) failure to follow GMS instructions on how to register and apply as posted on its Web site, (3) failure to follow each instruction in the OJP solicitation, and (4) technical issues with the applicant’s computer or information technology environment, including firewalls.

Notifications regarding known technical problems with GMS, if any, are posted at the top of the OJP funding Web page at www.ojp.usdoj.gov/funding/solicitations.htm.

Provide Feedback to OJP on This Solicitation

To assist OJP in improving its application and award processes, we encourage applicants to provide feedback on this solicitation, the application submission process, and/or the application review/peer review process. Feedback may be provided to OJPSolicitationFeedback@usdoj.gov.

IMPORTANT: This email is for feedback and suggestions only. Replies are **not** sent from this mailbox. If you have specific questions on any program or technical aspect of the solicitation, **you must** directly contact the appropriate number or email listed on the front of this solicitation document. These contacts are provided to help ensure that you can directly reach an individual who can address your specific questions in a timely manner.

If you are interested in being a reviewer for other OJP grant applications, please email your resume to ojppeerreview@lmbps.com. The OJP Solicitation Feedback email account will not forward your resume. **Note:** Neither you nor anyone else from your organization can be a peer reviewer in a competition in which you or your organization have submitted an application.

Application Checklist

FY 2013 Residential Substance Abuse Treatment (RSAT) for State Prisoners Program

This application checklist has been created to assist in developing an application.

Eligibility Requirement:

_____ Eligible applicants are limited to states, and for purposes of this solicitation, “states” are defined as all U.S. states, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands.

_____ The federal amount requested is within the allowable limit(s).

What an Application Should Include:

_____ Application for Federal Assistance (SF-424) (see page 10)

_____ Abstract (see page 10)

_____ Program Narrative (see page 11)

_____ Budget Detail Worksheet (see page 12)

_____ Budget Narrative (see page 12)

_____ Disclosure of Lobbying Activities (see page 17)

_____ Indirect Cost Rate Agreement (if applicable) (see page 13)

_____ Additional Attachments (see page 13)

_____ Applicant disclosure of pending applications

_____ Other Standard Forms as applicable (see page 14), including:

_____ Accounting System and Financial Capability Questionnaire (if applicable)
