

# Second Chance Act Adult Mentoring Grants to Nonprofit Organizations FY 2011 Competitive Grant Announcement

## Performance Measures

To assist in fulfilling the Department’s responsibilities under the Government Performance and Results Act (GPRA), Public Law 103-62, applicants that receive funding under this solicitation must provide data that measure the results of their work. Any award recipient will be required, post award, to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures” column. Performance measures for this solicitation are as follows:

Objectives	Performance Measures	Data Grantee Provides
Establish or improve the administration of mentoring programs, including the expansion of mentoring strategies and program design.	Number of program mentors recruited.	Number of mentors at beginning of program.  Number of new mentors recruited during the reporting period.

	Percent of offenders completing program requirements.	<ul style="list-style-type: none"> <li>• Total number of offenders who exited the program for any reason during the reporting period).</li> <li>• Number of offenders successfully completing program requirements during the reporting period.</li> <li>• Number of offenders in the program.</li> <li>• Number of offenders no longer in program services due to: <ul style="list-style-type: none"> <li>a. Moving out of area (can no longer provide services).</li> <li>b. Reincarceration.</li> <li>c. Technical violation(s) of supervised release.</li> <li>d. Failure to meet program requirements.</li> <li>e. Other reasons. (please list).</li> </ul> </li> </ul>
	Number and percent of program participants exhibiting desired change in <b>education</b> (GED or High School Diploma).	<ul style="list-style-type: none"> <li>A. Total number of participants who received services for the identified need during the reporting period.</li> <li>B. Of those in A, the number of participants that had the desired change during the reporting period.</li> </ul>
	Number and percent of program participants exhibiting a desired change in <b>substance use</b> .	<ul style="list-style-type: none"> <li>A. Total number of participants who received services for the identified need during the reporting period.</li> <li>B. Of those in A, the number of participants that had the desired change during the reporting period.</li> </ul>

	Number and percent of program participants exhibiting a desired change in <b>pro-social activities</b> .	<p>A. Total number of participants who received services for the identified need during the reporting period.</p> <p>B. Of those in A, the number of participants that had the desired change during the reporting period.</p>
	Number and percent of program participants exhibiting a desired change in <b>financial responsibility</b> (Restitution, Child Support).	<p>A. Total number of participants who received services for the identified need during the reporting period.</p> <p>B. Of those in A, the number of participants that had the desired change during the reporting period.</p>
	Number and percent of program participants exhibiting a desired change in <b>family relationships</b> .	<p>A. Total number of participants who received services for the identified need during the reporting period.</p> <p>B. Of those in A, the number of participants that had the desired change during the reporting period.</p>
	Number and percent of program participants exhibiting a desired change in <b>employment</b> .	<p>A. Total number of participants who received services for the identified need during the reporting period.</p> <p>B. Of those in A, the number of participants that had the desired change during the reporting period.</p>
	<p>Rate of recidivism for offenders receiving services following initial release.</p> <p><b>**BJA requires that all offenders are followed for a period of 12 months following initial release.</b></p>	<p>A. Total number of post-release offenders in the program during the reporting period.</p> <p>B. Number of post-release offenders who were reincarcerated during the reporting period following a new conviction.</p> <p>C. Number of post-release offenders who were reincarcerated during the reporting period following revocation of the terms of supervised release.</p>
	<p>Number of technical violations experienced by post-release offenders following initial release while in the program.</p> <p><b>**BJA requires that all offenders are followed for a period of 12 months following initial release.</b></p>	<p>A. Total number of post-release offenders who had technical violations of the terms of supervised release during the reporting period.</p> <p>B. Total number of technical violations experienced by <b>all</b> post-release offenders in the program for violation of the terms of supervised release during the</p>

		reporting period.
	<p>Rate of recidivism for program graduates.</p> <p><b>**BJA requires that all program graduates are followed for a period of 12 months following initial release.</b></p>	<p>A. Total number of program graduates followed during the reporting period for reincarceration due to a new conviction or as the result of revocation of the terms of supervised release.</p> <p>B. Number of program graduates who were reincarcerated during the reporting period following a new conviction.</p> <p>C. Number of program graduates who were reincarcerated during the reporting period following revocation of the terms of supervised release.</p>
	<p>Number of technical violations for program graduates.</p> <p><b>**BJA requires that all program graduates are followed for a period of 12 months following initial release.</b></p>	<p>A. Number of program graduates who had technical violations of the terms of supervised release during the reporting period.</p> <p>B. Total number of technical violations experienced by <b>all</b> program graduates for violation of the terms of supervised release during the reporting period.</p>

Submission of performance measures data is not required for the application. Instead, applicants should discuss in their application their proposed methods for collecting data for performance measures. Please refer to the section “What an Application Should Include” (below) for additional information.
